Yabsley—"The truest test of a man's friendship is his willingness to lend you money."
Mudge—"Oh, most anybody will lend you money. The real test is when you strike him for a second loan."

"There are six necessities, you know, for a happy marriage."
"What are they?"

"And the others?"
"The other five are money."

First Republican Politician—"What does this mean? It says here, the United States might use its offices to settle the trouble in Cuba."
Second Republican Politician—"Use its offices? Say, some folks must think this country has offices to burn."

The Paris *Figaro* publishes an amusing story of an incident that recently happened at a ball at Berlin.
A colonel accosted a young lieutenant from a military school, who bore on his breast a large decoration set in diamonds.
"Tell me, lieutenant," said he, "what is that affair?"
"It is an order, colonel."
"An order! But not a Prussian order. I don't know it."
"It is an English order, colonel."
"Really! And may I ask who gave you that order?"
"My grandmother, colonel."
"Your grandmother!" said the colonel, bursting with laughter. "What is her name?"
"Her Majesty Queen Victoria, Queen of England," replied the young man, who was Prince Albert of Schleswig-Holstein. The colonel collapsed.

The Great Organist . . .

OF . . .

Notre Dame Cathedral Montreal

SAYS ABOUT THE

BELL Piano

"I received the magnificent Bell Piano which I ordered for my own personal use. I had been expecting a first-class instrument, but the piano, which is a veritable jewel, surpasses all my hopes. It possesses a splendid quality of sound, rich, pure and melodious, with great evenness of the scale. The action is rapid, with great elasticity. I declare it an honor to Canada to possess a manufactory able to turn out pianos like the "Bell," which are unquestionably the best pianos made in Canada."

Organist de l'Eglise Notre Dame,

Personal Loveliness

is greatly enhanced by a fine set of teeth. It's one's business to be as good looking as possible, and one of the prime factors of Woman's Loveliness is a set of perfect teeth. A plain face becomes positively handsome if a smile reveals white, even and faultless teeth. On the other hand, nothing so detracts from the effect of pleasing features as yellow or decayed teeth.

Beautiful Sets of Teeth,	**$5 00**
Silver Fillings,	**0 50**
